Dear Sir

Re: Copyright assignment and publishing agreement – Journal of Mathematics and Applications.

I am attaching a copy of Mathematics and Applications Subscription Journal Publication Terms & Conditions, along with Schedules related to the subject copyright work (the “Work”), namely:

TITLE OF WORK: [INSERT]

MathApp cod:

I am the Principal/Corresponding Author of the Work, and my contact details can be found in the signature block below. To submit the Work for publication in the Journal of Mathematics and Applications, I understand that:

- It is necessary to complete and submit this Copyright Letter, along with the Subscription Journal Publication Terms & Conditions and the attached Schedules;
- This Copyright Letter, along with the Subscription Journal Publication Terms & Conditions and the attached Schedules, together comprise the copyright assignment and publishing agreement between myself and journal of Mathematics and Applications relating to the Work; and
- While primarily contemplating publication in Mathematics and Applications journal, this documentation also allows me to select an option (“Open Access Plus”) and pay an associated fee to have the Work published on an open access basis. I have signed and dated this Copyright Letter, the Subscription Journal Publication Terms & Conditions, and the Schedules. Please have these documents countersigned on behalf of Mathematics and Applications journal, and return a copy to me by email at your nearest opportunity.

Yours faithfully.
